

RESOLUTION X – REPUBLIC OF MADAGASCAR

THEME : POLITICAL AND SOCIAL RIGHTS

CONCERNING : VALUE OF VOTING RIGHTS ACCORDING TO AGE

THE GENERAL ASSEMBLY,

- Noting by the conservative turn that are taking democracies nowadays even though we are in a time of needed progress,
- Remarking that the proportion of elderly in the population is only increasing,
- Alarmed by the absenteeism of the youth during popular votes,
- Underlining that nearly seventy percent of the elderly vote in a conservative way and that nearly twenty percent of this particular population is suffering of a degenerative sickness,
- Afflicted by the numerous frauds made possible by the lack of attention and fragility of the elderly concerning their vote,
- Constating that the outcome of the votations will impact more the youth than the elderly,
- Decides to weight the vote of seniors with the help of tests assessing their capacity for discernment and autonomy. Youth aged 18 to 25 will have a 100% weighting that will decrease by 1% per year. From the age of 65, the representative age will be defined according to the results of the tests of discernment and autonomy.
